Helping in School

Dear Parents / Carers

At Lord Deramore's we have always valued the time given by many parents to help with different aspects of school life, including reading. Last year we were lucky enough to have a lot of parental help, and feel that this increased support is beneficial for all of our children.

If you enjoy being with children and you would like to volunteer, please fill in the form below and return it to school **by Friday 16th September**. Please complete a form even if you have previously volunteered. (Alternatively, you can send an email to suzie.mckenna@york.gov.uk with all your details.) New volunteers will be asked to get a DBS (the new name for CRB) check. This involves filling out a short form and does not cost anything. Please note that if you have a DBS check for another organisation, you will still need one specifically for our school.

Parents are usually asked to read with children or check children's knowledge of times tables. You may also be asked to play with younger children or help with mounting work for displays. Most volunteers are in school for one morning (or part of a morning) or one afternoon (or part of an afternoon) each week. Volunteers do not usually work in the class their child attends.

There will be an informal meeting for any parents or carers who would be willing to help in school on **Tuesday 20th September from 2:30 – 3:15** in the ICT suite.

Yours sincerely

Suzie McKenna
