Literacy	<p><b>Will be taught in accordance with the National Curriculum for Literacy and this term will include:</b></p> <p>Persuasive Writing Play scripts Narrative Poetry A focus will be made on comprehension strategies through various text types.</p>
History	<p>We will be studying where the Anglo-Saxons came from and why they travelled, their beliefs, culture and lifestyle. We will also be finding out about the history of Rugby League with the York City Knights.</p>
Geography	<p>Using maps and atlases to track Anglo-Saxon origins and regions settled within the British Isles.</p>
RE	<p>In RE we will be thinking about heroes in different faiths and learning about some of the things they did. Y6 will also focus on the Bible with some sessions with Yo-Yo.</p>

Science	We will be finding out about animals including humans with a focus on human health and biology.
Computing	Year 6 will be using multimedia software to produce their own videos and news reports as well as reviewing our e-safety understanding. Year 5 will be using different media applications to create PowerPoint presentations, leaflets and artwork linked to the topic. We will also continue our work on Espresso Coding.
DT	In DT the children will be designing and making their own Anglo-Saxon houses, as well as designing and decorating an egg nearer to Easter.
Art	In art we will be focussing on different Anglo-Saxon designs and runes, using to produce artefacts. E.g. shields and amulets.
Music	Y6 will be learning how 'Pop' music is put together by looking at 'Happy' by Pharrell Williams. Year 5 will develop an understanding of the history of music. They will be taught to appreciate and understand music drawn from different traditions and musicians.
PE	Year 5 are developing gymnastic skills through flight and bridges. Games will involve throwing and catching skills through Basketball and net/court games. Year 6 will be developing canon and synchronisation skills in Gymnastics. Will also be developing skills in games through Tennis and Volleyball.
