

PE and Sports Premium Overview 2017/18

Overview	<p>The government has provided additional funding of £150 million per annum for academic years since 2013 to improve provision of physical education (PE) and sport in primary schools. The Sports Premium is ring-fenced and can only be spent on provision of PE and sport in schools. In the year 2017-18 premium has been increased to £16000 plus £10 per pupil.</p> <p>The school's Sports Premium lead is the PE coordinator and Upper Key Stage 2 Phase Leader, Mr Mark Richards.</p>
Sports Premium Funding Allocation for this academic year	<p>Lord Deramore's Primary School have received £18020 for the 2017/18 academic year. This was made up of:</p> <ul style="list-style-type: none"> • A base grant of £16000 • An additional payment of £10 per child
Our 2017/18 plans to spend this money	<ul style="list-style-type: none"> • York Schools Sports Network Subscription • Specialist Sports coaches to support teacher CPD and children's attainment • Sport and PE Equipment for New School • Additional after school club provision • Playground enhancements and equipment inc. Trim Trails
Desired impact of the plans for 2017/18	<ul style="list-style-type: none"> • Access to specialist coaching provides staff with CPD to develop and improve their personal teaching of PE • Access to specialist coaching provides strong sports provision for the children. • PE equipment and resources are rejuvenated within the new school and gaps in resources are plugged following internal audit • Investment in playtime equipment and play leader scheme promotes active playtimes and competitive sports • More children take part in competitive sporting events • More children, including those with SEN or additional needs to access inclusive opportunities for physical activity • Children to be more aware of the impact of exercise on mental health and well-being
How we plan to make sure these improvements are sustainable	<ul style="list-style-type: none"> • The YSSN and Total Sports subscription provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years. • Investments in PE equipment and resources, following our move to the new school, will sustain quality provision over the years to come. • Children are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning.
Impact of the Sports Premium Funding 2016/17	<ul style="list-style-type: none"> • The YSSN subscription (Elements 1 and 2) has enabled the school to enter and participate in a range of competitions and tournaments with schools from across the York area. These incorporate a range of sports with the aim to encourage participation from as many children as possible. This also allows more children to experience competitive sports within an intra school competition setting which are organised by professional coaches. Level 2 also provides the opportunity for sports specialists to come into school and work alongside staff. This is a valuable resource to provide CPD for staff in

PE and Sports Premium Overview 2017/18

	<p>a range of sports, as well as giving children the chance to learn a range of skills with an experienced coach. All of KS2 have benefitted from this as well as Year 1/2 children. Staff have valued these opportunities as useful CPD for teaching physical education, especially those who are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas.</p> <ul style="list-style-type: none"> • The level 2 sports specialists often provide lunch time and after school clubs. Again, this increases the opportunities for children to participate in specialised coaching lessons, as well as competing in inter-sports games within school. Many clubs are often oversubscribed, in KS1 and KS2, resulting in the maximum amount of children attending weekly. • The Sports funding this year has helped to develop our ongoing PE and sport provision within a new school building and environment. We have used a lot of money this year purchasing brand new PE equipment following an audit. This has helped to ensure that our resources help to provide a rich and engaging PE curriculum.
<p>Swimming figures for current Y6 class</p>	<ul style="list-style-type: none"> • Currently – 26/28 children (93%) in Year 6 can swim at the National Curriculum requirement of 25m.
