

PE and Sports Premium Overview 2019/20

<p>Overview</p>	<p>The government has provided additional funding of £150 million per annum for academic years since 2013 to improve provision of physical education (PE) and sport in primary schools. The Sports Premium is ring-fenced and can only be spent on provision of PE and sport in schools. In the year 2019-20 premium is £16000 plus £10 per pupil.</p> <p>The school's Sports Premium lead is the PE coordinator and Phase 3 Leader, Mr Mark Richards.</p>
<p>Sports Premium Funding Allocation for this academic year</p>	<p>Lord Deramore's Primary School will have received £18,140 for the 2019/20 academic year. This was made up of:</p> <ul style="list-style-type: none"> • A base grant of £16000 • An additional payment of £10 per child (NOR 214)
<p>Our 2019/20 plans to spend this money</p>	<ul style="list-style-type: none"> • Specialist Sports coaches to support teacher CPD and children's attainment in PE • Sport and PE Equipment • Additional after-school club provision • Playground enhancements and equipment inc. Trim Trails
<p>Desired impact of the plans for 2019/20</p>	<ul style="list-style-type: none"> • Access to specialist coaching provides staff with CPD to develop and improve their personal teaching of PE • Access to specialist coaching provides strong sports provision for the children, ensuring more children take part in physical activity • PE equipment and resources are rejuvenated within the new school and gaps in resources are plugged following a further audit • Investment in playtime equipment and play leader scheme promotes active playtimes and competitive sports • More children take part in competitive sporting events • To keep up level of competitive sport – regaining the Silver School Games Mark and start to aim for Gold. • More children, including those with SEN or additional needs to access inclusive opportunities for physical activity • Children to be more aware of the impact of exercise on mental health and well-being • To deliver 30 minutes a day of active learning.
<p>How we plan to make sure these improvements are sustainable</p>	<ul style="list-style-type: none"> • The Total Sports subscription provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years. • Investments in PE equipment and resources, following our move to the new school, will sustain quality provision over the years to come. • Children are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning.
<p>Impact of the Sports Premium Funding 2018/19</p>	<ul style="list-style-type: none"> • The YSSN subscription (Elements 1) has enabled the school to enter and participate in a range of competitions and tournaments with schools from across the York area. These incorporated a range of sports with the aim to encourage participation from as many children as possible. This also allowed more children to experience competitive sports within an intra school competition setting which were organised by professional coaches. All of KS2 have benefitted from this as well as Year 1/2 children. • Total Sports have enabled school staff to access valuable CPD opportunities for teaching physical education, especially those who

	<p>are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas.</p> <ul style="list-style-type: none"> The Sports funding last year has helped to develop our ongoing PE and sport provision within a new school building and environment. We have used it to create a trim-trail and have ordered line markings for sports and playtime activities once the new playground has been completed. We have been able to provide a wider range of clubs (some free of charge) to more children.
Swimming figures for current Y6 class	<ul style="list-style-type: none"> Currently – 30/32 children (94%) in Year 6 can swim at the National Curriculum requirement of 25m. Support will be offered and provided to any children who still cannot swim (e.g. through free swimming sessions / lessons).
