LORD DERAMORES PRIMARY SCHOOL

Curriculum Overview for Phase 2 Summer Term – On The Move!

Science Year 2	We will be studying 'Animals including Humans'; looking at life cycles and what living things need to live and grow. We will also be looking at 'Habitats' with a focus on hedgehogs and making a wormery.
Science Year 3	Our science topic for the first half term is 'Light' and for the second is 'Plants'.
Geography	We will be learning to name and locate the world's 7 continents and 5 oceans. We will use globes, maps and atlases to identify non-European countries.
History	We will be learning about changes to transport within living memory and will use these changes to reveal aspects of change in national life. We will develop our understanding of we learn about the past.
Art	We will revise colour mixing techniques and look at the seascapes of Renoir, Turner and Rembrandt before creating our own.
DT	We will be designing, making and evaluating our own moving vehicle involving fixed and freely moving axles.
Computing	We will be learning how to write code to make games with a variety of inputs. Year 3 will also be learning how to use Chromebooks for a wide range of purposes.
Music	Continue to work on the Carnival of the Animals Learning to recognise crochets and quavers Learning about musical elements such as pitch dynamics Clapping rhythms in 2 and 3 time Learning traditional folk songs
Forest Year 2	Much of the science will be covered in our forest sessions. We will also be identifying minibeasts and trees, building dens and occasionally building a fire.
Forest Year 3	As well as planting vegetables in our class raised beds, Year 3 will be learning some new skills in the forest, including different knots which will help us with shelter building inspired by our journey storey telling and miniature raft building.
PE Year 2	With Mr Holmes from Total Sports, the children will be working on team games. Other sessions will cover gymnastic skills of moving and leaping, and then athletics skills after half term.
PE Year 3	We will be having Rugby skills sessions (including some lessons from York City Knights) as well as Athletics sessions.
RE Year 2	We will be learning about what it means to be part of a faith community.
RE Year 3	We will be learning about what it means to be Christian in Britain today.
