LORD DERAMORE'S PRIMARY SCHOOL

Curriculum Overview Year 1 Summer Term 2021

Topic	Schools
Maths	This will be taught in accordance with the National Curriculum and this term will include: • Addition and subtraction within 20 • Number and place value within 100, including multiples of 2, 5 and 10 • 2D and 3D shape.
English	This will be taught in accordance with the National Curriculum and this term will include: • Stories with adventurous settings • Rhymes and poetry • Sentences using capital letters and full stops.
Science	The children will be taught to • Identify and name a variety of common animals, to include carnivores, herbivores and omnivores • Describe and compare the structure of a variety of common animals • Identify, name, draw and label the basic parts of the human body and say which part is associated with each sense. Working scientifically they will: • ask simple questions and recognise that they can be answered in different ways • observe closely, using simple equipment. • perform simple tests. • identify and classify • use their observations and ideas to suggest answers to questions
History	The children will learn about changes within living memory. Children will talk about places they have visited and things they have done in the past. The children will use common words and phrases relating to the passing of time. They will develop an awareness of the past. They will use a wide vocabulary of everyday historical terms. They will understand some of the ways in which we find out about the past.
Geography	Children will learn about hot and cold areas of the world, identifying them on a globe and on maps. Children will learn about the points of the compass and will learn key physical geography vocabulary eg sea, ocean, beach, cliff, coast, forest, hill, mountain, soil, valley, vegetation, season and weather.
Computing	Using programmable toys, the children will learn what algorithms are, how they are implemented as programs on digital devices and that programs execute by following precise and unambiguous instructions. They will create and debug their own simple programs.
RE	We will be exploring sacred places. The key question will be: Who is a Muslim and what do they believe?

PE	*The children will be working on games, developing their skills of agility, balance and coordination.*
Art	• *Children will focus on drawing this term. They will be taught:* • *to use a range of materials creatively to design and make products* • *to share their ideas, experiences and imagination* • *to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space* • *about the work of a range of artists such as Barbara Hepworth, Augusta Savage and Andy Goldsworthy.*
Design and Technology	*Children will learn about the basic principles of a healthy and varied diet and will learn how to prepare food for a salad.*
Music	*The children will:* • *play tuned and untuned instruments musically* • *listen with concentration and understanding to a range of high-quality live and recorded music* • *experiment with, create, select and combine sounds using the interrelated dimensions of music.*
