

PE and Sports Premium Overview 2016/17

Overview	<p>The government has provided additional funding of £150 million per annum for academic years since 2013 to improve provision of physical education (PE) and sport in primary schools. The Sports Premium is ring-fenced and can only be spent on provision of PE and sport in schools.</p> <p>The school's Sports Premium lead is the PE coordinator and Upper Key Stage 2 Phase Leader, Mr Mark Richards.</p>
Sports Premium Funding Allocation for this academic year	<p>Lord Deramore's Primary School have received £8861 for the 2016/17 academic year. This was made up of:</p> <ul style="list-style-type: none"> • A base grant of £8000 • An additional payment of £5 per child
Our 2016/17 plans to spend this money	<ul style="list-style-type: none"> • York Schools Sports Network Subscription • Sport and PE Equipment for New School • Gymnastics wall frame for new school hall • School Swimming Charter registration • Football team equipment and resourcing • Playground enhancements and equipment inc. Play Leader training
Desired impact of the plans for 2016/17	<ul style="list-style-type: none"> • Access to specialist coaching provides staff with CPD to develop and improve their personal teaching of PE • PE equipment and resources are rejuvenated within the new school and gaps in resources are plugged following internal audit • Investment in playtime equipment and play leader scheme promotes active playtimes and competitive sports • More children take part in competitive sporting events
How we plan to make sure these improvements are sustainable	<ul style="list-style-type: none"> • The YSSN subscription provides specialist coaching to our teachers and staff, proving quality CPD that will helps them teach their own PE lessons both now and in future years. • Investments in PE equipment and resources, following our move to the new school, will sustain quality provision over the years to come.
Impact of the Sports Premium Funding	<ul style="list-style-type: none"> • The YSSN subscription (Elements 1 and 2) has enabled the school to enter and participate in a range of competitions and tournaments with schools from across the York area. These incorporate a range of sports with the aim to encourage participation from as many children as possible. This also allows more children to experience competitive sports within an intra school competition setting which are organised by professional coaches. Level 2 also provides the opportunity for sports specialists to come into school and work alongside staff. This is a valuable resource to provide CPD for staff in a range of sports, as well as giving children the chance to learn a range of skills with an experienced coach. All of KS2 have benefitted from this as well as Year 1/2 children. Staff have valued these opportunities as useful CPD for teaching physical education, especially those who are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas.

PE and Sports Premium Overview 2016/17

- The level 2 sports specialists often provide lunch time and after school clubs. Again, this increases the opportunities for children to participate in specialised coaching lessons, as well as competing in inter-sports games within school. Many clubs are often oversubscribed, in KS1 and KS2, resulting in the maximum amount of children attending weekly.
- The Sports funding this year has helped to develop our ongoing PE and sport provision within a new school building and environment. We have used a lot of money this year purchasing brand new PE equipment following an audit. This has helped to ensure that our resources help to provide a rich and engaging PE curriculum.

Detailed Sports Premium Itemisation for academic year 2016/17

	Cost
York Schools Sports Network (Elements 1 and 2), which includes: <ul style="list-style-type: none"> • Participation in York-wide KS1 and KS2 tournaments against other city primary schools (including: football, hockey, rugby, netball, golf, tennis, athletics, swimming, rounders, gymnastics, basketball, hockey and cross country running) • Visiting sports specialists and coaches who work with teaching staff to develop their teaching of PE and sport • Lunchtime and after-school clubs and provision • Football, Athletics and Rugby coaching for pupils 	£3,049
