<p>History</p>	<p>We will be studying when the Stone Age occurred in the history of Britain. We will look at evidence gained by archaeologists and what it tells us about Stone Age settlements. We will find out how society changed from hunter-gatherers to farming.</p>
<p>Geography</p>	<p>We will see how the population of the UK has changed and where settlements were built.</p>
<p>RE</p>	<p>In RE we will be looking at the ways different religions welcome in the New Year and the spring.</p>
<p>Science</p>	<p>We will be finding out about the structure of different rocks, how they were made and what</p>

	they are used for.
Computing	We will be using code to design a game which incorporates variables. We will also use the internet for research and presentation of our findings.
DT	As part of DT, Mrs King will continue to take groups for cookery. The theme this term is melting and the children will be making biscuits. We will also be designing and making a 'ball in the hole' game linked to the Stone Age.
Art	In art we will be looking at the different styles of prehistoric cave painting as well as using tints and shades in Stonehenge paintings.
Music	Year 4 have a whole class violin lesson once a week with Diane Martin.
PE	Year 3 and 4 will be working with York City Knights to develop SkyTry rugby skills. Y4 will also develop hockey skills with Liam Holmes and Year 3 will be concentrating on a variety of skills and use them to design games.
