

Topic	The Vikings
Maths	<p>Will be taught in accordance with the National Curriculum and this term will include:</p> <ul style="list-style-type: none"> • Multiplication and division • Money • Statistics • Length and Perimeter
English	<p>Will be taught in accordance with the National Curriculum and this term will include:</p> <ul style="list-style-type: none"> • Story Writing: Myths, Legends and Fables • Biographies • Poetry
Science	<p>The children will: Learn about rocks, fossils and soils. We will move onto learning about skeletons, muscles & movement and healthy eating.</p> <p>Year 3 will do this by:</p> <ul style="list-style-type: none"> • asking relevant questions and using different types of scientific enquiries to answer them • setting up simple practical enquiries, comparative and fair tests • making systematic and careful observations and, taking accurate measurements using standard units where appropriate • recording findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables • reporting on findings from enquiries in different ways • using results to draw simple conclusions, make predictions for new values, suggest improvements and raise further questions • identifying differences, similarities or changes related to simple scientific ideas and processes • using straightforward scientific evidence to answer questions or to support their findings.
History	<p>The children will learn about: Viking History - This will include the battles, food, artwork and homes. We will be visiting The Yorvik Viking Centre and The Dig. We will compare life in Viking times to our own work and finding answers to questions we have posed.</p>
Geography	<p>The children will: Use maps to track the journeys made by the Vikings and to see where they invaded.</p>
Computing	<p>The children will: Use the laptops to consolidate their understanding of number bonds, times tables and division using new software we have invested in. The children will</p>

	also be learning how to animate.
R.E	The children will: Learn about the similarities and differences in beliefs across a range of religions. They will be focusing on different festivals.
P.E.	The children will: Learn the rules and skills need to play netball and hockey. They will develop gymnastic skills on the floor and on the apparatus and will also learn and choreograph movements linked to the Vikings.
Art	The children will: Use different skills and media to produce Viking artwork. There will be lots of opportunities for Easter related art and craft towards the end of term.
Music	The children will: Learn to play simple pieces of music on the glockenspiels following basic notation.
Design and Technology	The children will: Design and make their own healthy food item.
