History of Toys	<p>The children will learn about:</p> <p>changes within living memory</p>

	significant events commemorated through festivals e.g. Bonfire Night
Geography	The children will identify seasonal and daily weather patterns in the United Kingdom.
Computing	The children will learn what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions. They will create and debug their own simple programs.
R.E Key question:	'Who is a Christian and what do they believe?'
P.E.	Year 1 will be working on games, gymnastics and dance.
Art	The children will be introduced to famous artists and works of art; they will make their own versions of art using different techniques including: brushstrokes, texture, colour, line, pattern and shape. The focus will be on drawing and painting.
Music	The children will be focussing on singing. In addition we will be using instruments and symbols to focus on pulse and rhythm. They will be preparing a performance for an audience of parents and carers.
Design and Technology	The children will explore mechanisms such as levers and sliders and then design their own moving picture.
