

LORD DERAMORE'S PRIMARY SCHOOL
Curriculum Overview for Phase 3 Years 4, 5 and
6
Autumn Term 2020 – Victorians

Maths	<p>Will be taught in accordance with the National Curriculum for Numeracy and this term will include:</p> <p>An assessment early in Autumn term to assess where the children are after COVID19 Lockdown.</p> <p>Y4: Place value, addition and subtraction, perimeter and multiplication and division. Y5: Place Value, Addition and Subtraction, Area and perimeter, statistics, Multiplication and division. Y6: Place value, Fractions, Geometry – including position and direction.</p> <p>All classes will be working on mental and written methods of addition and subtraction, multiplication and division and applying these to problem solving.</p>
English	<p>Will be taught in accordance with the National Curriculum for English and this term will include:</p> <p>An assessment early in Autumn term to assess where the children are in Reading after COVID19 Lockdown. Recount/Diary Narrative Non-chronological report Newspaper Reports Poetry</p> <p><i>Our writing will be based on our topic (Victorians) and the class books: Y4&5 – Cogheart by Peter Bunzl Y6 – Street Child by Berlie Doherty</i></p> <p>We will also continue to focus on comprehension strategies through a variety of different texts through guided and individual reading. Grammar and spelling will also be covered.</p>
Topic	<p>Our history and geography topic this term is based on the Victorians. We will find out more about the culture, travel and careers of this period as well as looking at what life was like in Heslington during these times. We will be using maps of our local area as well as investigating the role of women and</p>

	BAME people during this time. We may not be able to plan a trip, depending on how Government guidelines change or not during this term
RE	We follow the agreed syllabus for RE in North Yorkshire. The unit covered this term is: What does it mean to be a Hindu?
Science	Units covered in Science this term are: Y4 Working Scientifically & Electricity Y5 Properties of Materials Y6 Light & Electricity
Computing	All three classes will be focussing on e-safety this term through a range of media including online resources such as Interland. Y5&6 will also be working with Ms Chandler (IT Specialist) looking at coding. https://beinternetawesome.withgoogle.com/en_us/interland There will also be many class discussions.
DT	Each class will be using the 'Project on a Page' resources and will link their work to our topic wherever possible. This term we are looking at Mechanical Systems Pulleys, gears or cams.
Art	Our artwork will be based on the Victorians and our class books. Year 4&5 will be creating their own 'mechanimals' sculptures linked to Cogheart by Peter Bunzl. As a Phase, we shall also be looking at: -Morris William – printing repeated patterns/natural forms -Mary Cassatt – impressionist portrait -Silhouettes
Music	Each class will have a weekly music lesson with a music specialist (Mrs Martin). To begin with, Mrs Martin will be looking at the history of music and great musicians. As the term progresses, we hope to return to our learning on an instrument (below) which will include reading musical notation. Y4: Violin Y5: Ukulele Y6: Percussion
PE	Mr Holmes (PE specialist) will be taking Year 4&5 for games, focussing on Football and basketball. Year 6 will be practising rounders. Each class will also be having gymnastic and dance sessions where possible. Fitness sessions outside will also be taking place. Due to COVID19 – Sporting competitions are limited but we will be entering a number of 'Virtual' competitions.
