

School Development Priorities

2020/21

Priority 1: Provide a safe and happy learning environment for all, being reactive to the ongoing needs of pupils and staff during the **Covid-19 pandemic**.

Priority 2: Continue to embed a **broad, rich and stimulating school curriculum**, with a particular focus on subject coordination skills in foundation subjects.

Priority 3: Strengthen children's **reading and vocabulary skills**, focussing especially on our lower-ability readers, disadvantaged pupils and those with SEND.
