LORD DERAMORE'S PRIMARY SCHOOL

Curriculum Overview Year 1 Spring Term 2022

Topic	Superheroes
Maths	This will be taught in accordance with the National Curriculum and this term will include: • Addition and subtraction within 20 • Number and place value within 50, including multiples of 2, 5 and 10 • Measurement: length and height, weight and volume.
English	This will be taught in accordance with the National Curriculum and this term will include: • Stories with adventurous and fantasy settings • Rhymes and poetry • Sentences using capital letters and full stops.
Science	The children will be taught to • Identify and name a variety of common animals, to include carnivores, herbivores and omnivores • Describe and compare the structure of a variety of common animals • Identify, name, draw and label the basic parts of the human body and say which part is associated with each sense. Working scientifically they will: • ask simple questions and recognise that they can be answered in different ways • observe closely, using simple equipment. • perform simple tests. • identify and classify • use their observations and ideas to suggest answers to questions
History	The children will learn about the lives of significant individuals in the past who have contributed to national and international achievements eg Neil Armstrong, Tim Peake, Captain Cook, Florence Nightingale. The children will use common words and phrases relating to the passing of time. They will develop an awareness of the past. They will use a wide vocabulary of everyday historical terms. They will understand some of the ways in which we find out about the past.
Geography	Children will learn about the points of the compass and will learn key physical geography vocabulary eg sea, ocean, beach, cliff, coast, forest, hill, mountain, soil, valley, vegetation, season and weather.
Computing	Using simple programs, children will be taught to use technology purposefully to create, organise, store, manipulate and retrieve digital content.
RE	The key question will be: What are sacred places and who uses them?

PE	The children will be working on games, developing their skills of agility, balance and coordination.
Art	• Children will focus on painting around the world this term. They will be taught: • to use a range of materials creatively to design and make products • to share their ideas, experiences and imagination • to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space • about the work of a range of artists.
Design and Technology	Children will explore free standing structures, looking at everyday products. They will design, make and evaluate their own products.
Music	The children will: • play tuned and untuned instruments musically • listen with concentration and understanding to a range of high-quality live and recorded music • experiment with, create, select and combine sounds using the interrelated dimensions of music.
