

# Have **you** got a Power Maths mindset?

*"Mistakes help us learn!"  
"Let's try again."  
"We all need to practise."  
"Have we found all of the solutions?"*

**I am determined!**

Dexter

*"Let's try it!"  
"I know how to do it!"  
"I know the answer!"  
"I will share my ideas!"*

**I am brave!**

Astrid

*"What if ...?"  
"I wonder if there's a better way?"  
"Is there a pattern?"  
"Is that always true?"*

**I am curious!**

Ash

*"Is there a quicker way?"  
"Maybe we can do it another way."  
"Can we do it differently?"*

**I am flexible!**

Flo

# Power Maths cleverly combines...

Aligned to the White Rose Maths progressions and schemes of learning - and recommended by the DfE\*

## Textbooks

Rich and quality textbooks provide a coherent structure through the curriculum and support children on their journey towards a deeper understanding.

## Practice Books

Just the right amount of intelligent practice for children to complete independently.

## Teacher Guides

Expert support for your day-to-day teaching, and opportunities for reflection and continual professional development.

## Progress Tests

The half-termly and end-of-year tests support you to reliably track your children's progress against Age Related Expectations.

## Online toolkit

All the digital resources you need to support your whole-class teaching, including online versions of the textbooks, teaching tools, 'Power Up!' activities, strengthen and deepen activities, subject knowledge videos - and more.

## Professional Development

Practical face-to-face courses, online videos to support subject knowledge, and online Q&A sessions.

\*Power Maths KS1 and KS2 have been judged by the DfE panel to meet the core criteria for a high-quality textbook.
