

School Development Priorities

2022/23

The year of moving from 'Very Good' to 'Great'

Priority 1: Continue to **review and refine our established curriculum** so that children can do more and remember more over time. Strengthen **assessment** in the wider curriculum. Develop **teacher subject knowledge** across all curriculum areas.

Priority 2: Further **develop the quality of teaching**, with particular focus on **inclusive classroom practice**, metacognition and active learning.

Priority 3: Formalise and strengthen further the school's work on **staff wellbeing**.
