Dear Parents/Carers,

We are writing to let you know that there will be a slight increase in the prices of Kids Kabin sessions from the start of the summer term (week commencing Monday 25<sup>th</sup> April).

Breakfast Club: will increase from £4.00 to £4.20 (5.0% increase)

After-School Care: will increase from £9.00 to £9.50 (5.6% increase)

Full wrap-around: will increase from £13 to £13.70 (5.4% increase)

We are sorry to be increasing prices at a time when you are no doubt experiencing increases in other costs, but we need to do so in order to remain sustainable.

The government has increased the National Living Wage by 6.6% with effect from April 2022 which means that employer costs have risen by 6.6% across the provision. Significant inflationary increases are being seen in energy and food costs (current CPI inflation is 6.2% as of February 2022).

The vast majority of our costs relate to staffing expenditure, so any government increase to the National Living Wage usually equates to similar increases in fees. We are always keen to provide a service that is good value for money for working families, which is why we are setting the fee increases below the salary rise of 6.6%. Our fees remain in line with other local providers.

Best wishes,

Kids Kabin Trustee Board
