

PE and Sports Premium Overview 2023/24

<p>Overview</p>	<p>The government has provided additional funding of £320 million per annum for academic years since 2013 to improve provision of physical education (PE) and sport in primary schools. The Sports Premium is ring-fenced and can only be spent on provision of PE and sport in schools. In the year 2020-21 the premium is £16000 plus £10 per pupil.</p> <p>The school's Sports Premium lead is the PE coordinator and Year 3 teacher, Mrs Bethany Charters. She is supported in her role by Mr Liam Holmes (Total Sports Coach) and Ms Emma Havercroft (Dance and Gymnastics Teacher).</p>
<p>Sports Premium Funding Allocation for this academic year</p>	<p>Lord Deramore's Primary School will have received £18,150 for the 2023/2024 academic year. This was made up of:</p> <ul style="list-style-type: none"> ● A base grant of £16000 ● An additional payment of £10 per child (NOR 215)

<p>Desired impact of the plans for 2023/24</p>	<ul style="list-style-type: none"> ● Access to specialist coaching and planning provides staff with CPD to develop and improve their personal teaching of PE ● Access to specialist coaching provides strong sports provision for the children, ensuring more children take part in physical activity ● Investment in play leader scheme promotes active playtimes and competitive sports ● High quality resources for sport, PE and playtime are consistently available throughout the whole year ● More children take part in non-competitive and competitive sporting events through the continued affiliation with YSSN, after-school clubs, and dance lessons. ● To regain the Gold School Games to ensure Sports and physical activity are embedded across the curriculum and wider school community. ● More children, including those with SEN or less active, to access inclusive opportunities for physical activity ● Children to be more aware of the impact of exercise on mental health and well-being ● To deliver 30 minutes a day of active learning. ● To provide active homework tasks to increase physical activity at home

PE and Sports Premium Overview 2023/24

	<ul style="list-style-type: none"> • Children with SEN to improve gross motor skills • Children have quality environment for competitive sports events, such as sports day and badminton lessons • Children to develop skills to support their resilience and mindfulness which will increase their ability to learn
<p>How we plan to make sure these improvements are sustainable</p>	<ul style="list-style-type: none"> • The Total Sports subscription and planning provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years. • The Total Sports subscription and planning; after school club offers; and dance lessons provide specialist coaching to our children, providing quality experiences that will help them develop skills both now and to be built upon in future years. • Investments in PE and play equipment and resources, following damage to old equipment, will sustain quality provision over the years to come. • Children, particularly those with SEN or less active, are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning. • Investments in SEN gross motor skill resources will sustain quality provision over the years to come and provide specialist support to key children. • Investments in headspace resources will develop strategies for good mental health. Thereby, raising their potential for effective learning.
<p>Impact of the Sports Premium Funding 2022/2023</p>	<ul style="list-style-type: none"> • The YSSN subscription enabled us to take part in virtual competitions with other schools including quad kids, multi skills, small school pentathlon, skipping challenge (year 5's won this one), ultimate warrior, tri golf, toilet roll challenge, football challenge, primary virtual run, speed bounce, archery. • Total Sports have continued to support school staff to access valuable CPD opportunities for teaching physical education, especially those who are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas. This has included (football, basketball and hockey) • York City Knights delivered rugby lessons for children from Year 2 to 6 whilst also delivering CPD to school staff. • Big Pedal was promoted and improved healthier travelling to school during these weeks. Over the course of the two weeks, the numbers of families travelling to and from school using a healthier mode of transport increased. • Children and adults were encouraged to choose healthier options for their mode of travel to school. (Bikes, scooters, walking)
