

Priority 1: **Review and refine our established curriculum** so that children can do more and remember more over time. Develop **teacher subject knowledge** across all curriculum areas. Strengthen further the school's **creative curriculum offer**.

Priority 2: Raise further the profile of our **SEND and disadvantaged learners**. Implement a strategic vision for a growing number of **children with high needs**.

Priority 3: Further embed **oracy skills** across the school so that children develop skills, knowledge and confidence in reading, writing, **speaking, listening, drama and debating**.

Striving to be the best we can be.....nurturing learners for life
