

"Our vision is to enable all children and young people to learn to sing, play an instrument and create music together, and have the opportunity to progress their musical interests and talents, including professionally".

- National Plan for Music Education 2022

The national curriculum states: Music is a universal language that embodies one of the highest forms of creativity. A high-quality music education should engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement. As pupils progress, they should develop a critical engagement with music, allowing them to compose, and to listen with discrimination to the best in the musical canon.

Music is highly valued at Lord Deramore's Primary School. We believe that all children should have access to high-quality music education and have opportunities to develop their own musical potential. Music makes a key contribution to children's personal, social and emotional development and to their growth as confident individuals capable of developing their 'own voice'. We hope, through the implementation of this policy, to foster a love of music in all children, to develop their musical creativity and to encourage them to continue to explore music throughout their lives.

At Lord Deramore's, we aim for all of our children - including those with SEND - to:

- Enjoy music,
- Have opportunities to perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians,
- Learn to sing and to use their voices appropriately and confidently,
- Develop their inner ear,
- Learn to create and compose music on their own and with others,
- Have the opportunity to learn a musical instrument,

• Understand and explore how music is created, produced and communicated, including through the interrelated dimensions of pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

Leadership and partnership Audit: leadership, partnership, training, budget and resource, pupil voice

Music Curriculum Audit: curriculum timetabling, curriculum design and curriculum assessment,

Beginning	Developing	Secure	Enhancing
Music is delivered 'ad hoc' and not in every year group. Some students are unable to access the music provision	There are dedicated weekly curriculum music lessons on the school timetable for all year groups [or equivalent where leaders can effectively discuss the music timetabling]. Provision is between 45 and 60 minutes. All students are supported to access the music curriculum, including students with SEND.	Whole class instrumental lessons are timetabled in addition to curriculum music lessons for at least one year group.	First Access continuation instrumental lessons are timetabled within the school day and/or music projects such as school orchestra, York Youth Orchestra and other ensembles
The music curriculum is planned for some year groups. Development of a sequential and progressive curriculum is in progress. Lessons may be delivered as part of a carousel.	The music curriculum is planned for all year groups and there is a sequential progressive curriculum map for all year groups and stages. The curriculum provides high challenge for all students, including SEND/EAL.	Additional aspects of the curriculum [First Access, NMPAT projects, ensembles, I-I tuition] align with the music curriculum planning to support musical learning and outcomes.	The curriculum is planned with consideration of transition between schools at key stages in collaboration with local schools [infant into junior and primary into secondary] and pathways for learners.
Progress over time is not measured or celebrated.	There is a range of formative and summative assessment strategies used within the lesson and teachers are able to assess against end of year expectations. Students are given the opportunity to perform to their peers and teachers.	Teachers are able to use a range of assessment methods to evidence progression of learning. Students are given the opportunity to perform at class assemblies and end of term/year concerts to parents/carers.	Moderation of assessment for learning takes place across the school. There are numerous opportunities for students to perform and receive feedback about their performance / progression.

Vocal strategy Audit: singing assemblies, choirs and staff singing

All staff are offered training to support and enable them to be confident role models and to lead healthy singing practice.	There are singing opportunities for staff in the school, such as a choir.

Instrumental and Vocal Pathways Audit: instrumental & vocal tuition, First Access, ensembles

Beginning	Developing	Secure	Enhancing
Facilitation of one to one and small group tuition is limited and inconsistent	The school facilitates one to one and group tuition. Pupils and families facing the largest barriers are given support to engage in music learning as part of, and beyond, the curriculum.	The overall provision is diverse, valuing all musical styles, genres and traditions equally; this is reflected in the clubs and enrichment programme and drawing on the skills, talents and interests of staff and local stakeholders through specialist tuition. Around 10% of the school population engage in tuition.	Students are able to take leadership roles in musical opportunities. More than 10% of the school population engage in tuition.
First Access is delivered for 10 weeks on one instrument to one year group.	First Access is delivered for 10 weeks on one instrument to one year group. The school ensures that a school member of staff engages with these lessons and accommodates performance opportunities for students.	First Access continuation is offered and timetabled. Barriers to Inclusion Audit: Barriers to learning and bursaries

Beginning	Developing	Secure	Enhancing
There are opportunities to perform for a limited number of pupils. There may be barriers to participation	The school provides an inclusive musical offer for all students with SEND and external agencies when required. All music lessons are planned to use instruments/resources that are accessible and age appropriate. All members of teaching staff have an awareness of the needs of the students in the class. The school provides support for those who might face financial or other barriers. Students have an opportunity to listen to music that is reflective of diverse musical cultures and traditions in all key stages.	The school plans to target students eligible for PP and supports these students and their families to engage in musical opportunities and tuition. The school provides additional support through resources to enhance accessibility. Staff scaffold work to meet the needs of all students. Students have the opportunities to actively learn and engage with music from a range of cultures and traditions in all key stages.	The proportion of PP students partaking in music lessons and opportunities is high. Bespoke financial support is available so that all students can access musical opportunities. Pathways for learning are highlighted, along with financial support where needed. Access to adapted instruments is provided where necessary.
