

<p>Overview</p>	<p>The government has provided additional funding of £320 million per annum for academic years since 2013 to improve provision of physical education (PE) and sport in primary schools. The Sports Premium is ring-fenced and can only be spent on provision of PE and sport in schools. In the year 2024-25 the premium is £16000 plus £10 per pupil.</p> <p>The school's Sports Premium lead is the PE coordinator and Year 2 teacher, Mrs Bethany Charters. She is supported in her role by Mr Liam Holmes (Total Sports Coach) and Ms Emma Havercroft (Dance and Gymnastics Teacher).</p>
<p>Sports Premium Funding Allocation for this academic year</p>	<p>Lord Deramore's Primary School will have received £18,210 for the 2024/2025 academic year. This was made up of:</p> <ul style="list-style-type: none"> • A base grant of £16000 • An additional payment of £10 per child (NOR 221)
<p>Our 2024/25 plans to spend this money</p>	<ul style="list-style-type: none"> • Specialist Sports coaches to support teacher CPD and children's attainment in PE. • Specialist planning (Get Set 4 PE) to support teaching and children's attainment in PE. • Sports coaches to deliver training for play leaders. • Sport and PE Equipment for lessons and playtimes. • SportsSafe repairs to maintain gymnastics equipment. • Continued affiliation with YSSN to enrich the school curriculum. • Weekly dance lesson for Phase 2. • Workshops and community workshops to enrich the curriculum and offer additional after school club provision. • Specialist SEN PE resources to facilitate additional physical development sessions for key children. • Hiring of high quality sports facilities in the community. • Workshops to support children's understanding of healthy eating and mental health.
<p>Desired impact of the plans for 2024/25</p>	<ul style="list-style-type: none"> • Access to specialist coaching and planning provides staff with CPD to develop and improve their personal teaching of PE. • Access to specialist coaching provides strong sports provision for the children, ensuring more children take part in physical activity. • Investment in the play leader scheme promotes active playtimes and competitive sports. • High quality resources for sport, PE and playtime are consistently available throughout the whole year. • More children take part in non-competitive and competitive sporting events through the continued affiliation with YSSN, after-school clubs, and dance lessons.

PE and Sports Premium Overview 2024/25

	<ul style="list-style-type: none"> • To regain the Gold School Games to ensure Sports and physical activity are embedded across the curriculum and wider school community. • To deliver 30 minutes a day of active learning. • To provide active homework tasks to increase physical activity at home. • More children, including those with SEN or less active, to access inclusive opportunities for physical activity. • Children with SEN to improve gross motor skills. • Children have a quality environment for competitive sports events, such as sports day. • Children to be more aware of the impact of exercise on mental health and well-being.
<p>How we plan to make sure these improvements are sustainable</p>	<ul style="list-style-type: none"> • The Total Sports subscription provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years. • The Total Sports subscription; after school club offers; and dance lessons provide specialist coaching to our children, providing quality experiences that will help them develop skills both now and to be built upon in future years. • The Get Set 4 PE subscription provides quality planning which will help staff teach high quality lessons both now and in future years. • Investments in PE and play equipment and resources, following damage to old equipment, will sustain quality provision over the years to come. • Children, particularly those with SEN or less active, are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning. • Investments in SEN gross motor skill resources will sustain quality provision over the years to come and provide specialist support to key children. • Children are taught strategies for healthy eating and mental health raising their potential for effective learning, now and in the future.
<p>Impact of the Sports Premium Funding 2023/2024</p>	<ul style="list-style-type: none"> • The YSSN subscription enabled us to take part in competitions with other schools including tag rugby, multi skills, dodgeball, football, rounders, cricket, and triathlon. • The YSSN subscription enabled Year 5 and Year 6 to take part in half-termly Wellbeing training. • The YSSN subscription enabled the PE Lead to undertake leadership training and play leader training.

	<ul style="list-style-type: none"> • Total Sports have continued to support school staff to access valuable CPD opportunities for teaching physical education, especially those who are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas. This has included (football, basketball and hockey) • York City Knights delivered rugby lessons for children from EYFS to Year 6 whilst also delivering CPD to school staff. • Investment in PE and playground equipment enabled staff to teach high quality PE lessons, encourage children to be active at playtime, and increase engagement in PE lessons for children with SEN. • Community links provided opportunities for children to access new sports e.g. circus skills, rugby, ballroom dancing, trampolining.
