

Year 3 Homework Menu – September to October 2024

We would love to see anything your child produces or hear how they have got on. Children - Please complete an activity as and when you have the time, you do not need to complete all of them but you are welcome to. Share what you have done with your class by bringing your work in, emailing your teacher or sending in a USB stick. Be creative, we love to see writing, books, videos, slide shows, pictures, models and more!

Be a chef

Test your palette and try something new. Find a recipe that involves fruit or vegetables and try it out with a grown up. Will it be a sweet or savoury? What ingredients will you need? What utensils are required?

Be a historian

Find out what school was like for a family member or friend who is older than you. What was different? What was the same? Is there something they did that you would like to try? Why not try it?

Wild Card!

Learn a new skill to share with the rest of the class. It can be anything at all but here are some ideas: Learn hello in different languages.

Learn how to tie your shoe laces. Learn a new board game.

Be a mathematician

Spend some time on TT Rockstars. Can you improve your time?

Be a forest school artist

Using natural materials from in and around your home, (make sure not to pick living plants) create an autumn scene. Can you name all the leaves and seeds you find?

Be a performer

Pick a poem you enjoy to learn off by heart. Practise the poem at home so that you can perform it clearly and with expression. Maybe you could add in some actions too.

Be a scientist

What forces can you see being used in your home? What needs to be pushed or pulled?

Be active

Spend time being active with friends or family. You could go for a walk in nature, make a new dance routine to your favourite song or run some laps in your garden! How does the exercise make you feel afterwards?

Be an artist

Using pencil, chalk or charcoal sketch something important to you.
