

Year 2 Homework Menu – November to December 2024

We would love to see anything your child produces or hear how they have got on. Children - Please complete an activity as and when you have the time, you do not need to complete all of them but you are welcome to. Share what you have done with your class by bringing your work in, emailing your teacher or sending in a USB stick. Be creative, we love to see writing, books, videos, slide shows, pictures, models and more!

<p>Be a chef Once we have learned to chop some fruit in school, practise these skills with a grown up at home. What will you make with your chopped up fruit?</p> 	<p>Be a historian Find out what school was like for a family member or friend who is older than you. What was different? What was the same? Is there something they did that you would like to try? Why not try it?</p> 	<p>Wild Card! Learn a new skill to share with the rest of the class. It can be anything at all but here are some ideas: Learn how to spell your whole name Learn how to tie your shoe laces. Learn a new board game.</p> 
<p>Be a mathematician Spend some time on Numbots. Have fun seeing how far you can get! How many stars can you collect?</p> 	<p>Be a researcher Ahead of our trip to the mosque, find out some information about mosques and write down any questions you would like to ask.</p> 	<p>Be a reader Pick a fiction book by an author you have never read or a non-fiction book on a topic you've not read about before. Read the book with a grown up at home.</p> 
<p>Be a scientist Create a plant diary for a plant you have at home. Write down how much water you give it, draw a picture, and see if you can measure its growth using a ruler!</p> 	<p>Be a dancer In a space at home or outside, practise some of the movements you have been learning in dance. You could perform your diwali dance to someone in your family!</p> 	<p>Be an artist Use the drawing skills you have learned to draw your favourite toy.</p>
