

Year 2 Homework Menu – June/July 2025

We would love to see anything your child produces or hear how they have got on. Please complete an activity as and when you have the time, you do not need to complete all of them but you are welcome to. Share what you have done with your class by bringing your work in, emailing your teacher or sending in a USB stick.

Be a Mathematician Spend some time on TT Rockstars. See how far you can get! Remember our aim is to be fluent in the 10x, 2x and 5x tables by the end of Year 2. 	Be a Historian Visit the National Railway Museum to learn more about the history of trains and the railways. 	Learn a new skill This half term we are going to be designing a moving vehicle in DT. We'd love to see any vehicles with axles you make at home. 
Be a shopkeeper Get a grown up to give you some different coins to sort into different piles. Then get the grown up to challenge you to make the same total using different coins. 	Be a Scientist Investigate a microhabitat e.g. under a big rock, in a small pond, in a log pile. Look at it closely and draw what you find. Write a sentence to describe your microhabitat. 	Be a timekeeper Practise telling the time on an analogue clock. Can you tell when it's o'clock, half past, quarter past and quarter to? 
Be a Reader Visit the library and pick a book by a different author. Tell somebody you know about the book. Did you enjoy it? Why? 	Be a writer If you go on a day trip, send the class a post card so we can learn about the place you have visited. 	Be a Performer Pick a poem to learn. Can you perform it to a grown up at home? Would you like to perform it at school?
