

Early Years Homework Menu - Autumn 1 2026

Each half term we send a homework menu for families to follow at home. You are welcome to complete as many or as few of the activities as you want over the half term. Once the Tapestry accounts are set up, you are welcome to share any activities you do complete there. Please do ask if you have any questions. .

Read the book your child brings home from the school library. Share some other favourite books with your child. If they have never heard the book before, can they guess what is going to happen next? If they know the book well, can they remember what happens in it?

Go on a shape hunt around your house or while you are on a walk. What shapes does your child see? Can they name them? Can they find a triangle, square, circle or rectangle?

As the season starts to change, go on a walk to see what signs of autumn you can spot.

Sing some number rhymes together. At school, we will be singing, 5 Little Specked Frogs, 5 Current Buns in a Baker's Shop, 5 Little Men in a Flying Saucer and 5 Little Ducks went Swimming one Day. Does your child know any more counting songs?

Talk about the things that you celebrate as a family and how you celebrate them.
