RE: Kids Kabin wrap-around annual fee increase

Dear Parents/Carers,

We are writing to let you know that there will be a slight increase in the prices of Kids Kabin sessions from after the Easter holidays (Monday 13th April 2026).

Breakfast Club: will increase from £5.04 to £5.20

After-School Care: will increase from £11.45 to £11.80

Full Wrap-Around: will increase from £16.49 to £17.00

We are sorry to be increasing prices at this time, but we need to do so in order to remain sustainable.

The government has increased the National Living Wage by 4.1% with effect from 1st April 2026, which means that employer costs have risen across the provision. The vast majority of our costs relate to staffing expenditure, so any increase to the National Living Wage usually equates to similar increases in fees.

However, we have taken the decision to keep our price increases lower than this, at around 3.1%, in order to help minimise the impact on families. This has been carefully balanced against the need to remain financially sustainable, particularly in light of the fact that the club made a minimal surplus in the previous financial year.

Our After-School Care session will continue to run until 6pm, which we hope continues to support families with pick-up at the end of the day. This will continue even though a government grant has now ceased.

The late collection fee still applies at £10 for every 5 minutes after 6pm. This is to cover staff insurance beyond 6pm. The late charge will be waived for serious emergencies.

Please rest assured that we have benchmarked these costs against other local providers and are confident that they remain competitive. These changes will be updated in our policies and procedures and will be added to the booking information.

Thank you for your understanding.

Best wishes,

Kids Kabin Trustee Board
